WEB DEVELOPER / PROGRAMMER

Web developer with experience in MEAN Stack technologies and ASP.Net MVC framework. Proven track record operating in a collaborative team environment, meeting production deadlines, and increasing efficiency through task organization. Dedicated worker, strong presenter, and team advocate. Critical thinker in situations requiring stress tolerance and determination.

PROGRAMMING EXPERIENCE

C# 5.0 — ASP.NET MVC — CSS — HTML — JavaScript — SQL 2012 — CQRS
Web API — N-Tier — KnockoutJS — Node.js — Git — MongoDB

PROFESSIONAL EXPERIENCE

FRITO-LAY, INC., Phoenix, AZ

1/2011 – 9/2014

Sales District Leader

Managed team of 12, delivering top ranking performance in total sales and market conditions through motivational leadership and fostering a cooperative team environment. Developed weekly plans of action based on regional initiatives and zone direction which measured team progress, promoted accountability, and stimulated discussion on process improvement methods. Interacted daily with store managers to discuss business needs and strategize solutions within time and budget constraints.

Key Takeaways:

- Learned to work collaboratively as a team and deliver results through effective communication.
- Regularly translated customer needs into step-by-step action plans for team to execute.
- Delivered high sales performance for customers through careful planning and regular follow-up.

STARBUCKS COFFEE COMPANY, Phoenix, AZ

5/2009 – 1/2011

Shift Supervisor

Managed team of 4 to 5 baristas in high-volume store where communication and teamwork were crucial elements to success. Clearly defined daily tasks to delegate work, promote efficiency, and ensure that every member had an important part to play in the daily operation. Approached challenges collaboratively as a team to arrive at solutions together through effective group discussions.

Key Takeaways:

- Recognized that promoting an effective team spirit is crucial to meeting service windows.
- Increased efficiency by daily assigning roles and tasks to every team member.

EDUCATION

ARIZONA STATE UNIVERSITY, Tempe, AZ, 2010

Bachelor of Science (B.S.) in Business Management
